

129 900

M.E.G.A. AIR PURIFIER

129 900
White, Green
UPC 043129-107373

Eliminate smoke and odors with this highly efficient air purifier. The Maximum Efficiency Gas Absorption (M.E.G.A. filter) has been proven to be more effective than Hepa filters. Airborne allergens, particulates, smoke and odors are trapped in the multi-layer filter.

- ◇ Quiet 3-Speed motor
- ◇ High grade activated-carbon filter embedded in a high grade particulate filter
- ◇ Uses # 1301 air filter
- ◇ Measures 17 3/4" x 11 3/4" x 13"
